CHAIRMAN'S LETTER

As Chairman of the IDOLS it is my pleasure to welcome you to our production of IDOLisation. This year makes the 45th year of the IDOLS and we celebrate this year with the first of two productions. IDOLisation follows in the same tradition as previous compilation shows Idoling By and Hollywood Heaven. Both of these shows proved to be a great success with our audiences and we hope this evening will be equally popular. The show is based around a quiz on stage and we hope that you will join in during the evening to see how good your musical trivia measures up to our competitors. Further on in the programme you will find an opportunity to test your knowledge to win two tickets to our production in October

Thank you to all those people that have made this production possible and we hope you enjoy the show.
